Mr. Dan Peterson
President
Seattle-Tashkent Sister City Association

Dear Mr. Peterson,

Please accept my sincere gratitude for your warm hospitality during my stay in Seattle last week. I did enjoy the meeting with you and the members of the Association.

I was inspired by the dedication of the members of the Association to implement several initiatives aimed at strengthening our bilateral relations.

Taking this opportunity let me also thank you for organizing the meeting with Seattle city Councilmember Ms Jean Godden, which I found interesting and productive.

I would like to emphasize that we fully support the commitment of Seattle-Tashkent Sister City Association to promote ties between Uzbekistan and the United States and stand ready to support all your activities in the future. I look forward to continuing a close and productive collaboration with you personally and the Association. If you have any questions or need any assistance please let me know.

Sincerely,
